LA BIENNALE DI VENEZIA

VENICE PRODUCTION BRIDGE FOURTEENTH EDITION 2025

The **Venice Production Bridge – VPB** is an essential and successful rendezvous among the cinema, audiovisual and XR professionals. Even if the essence and specificity of the **VPB** is, from year one, to focus on production and to make available a wide range of services, projects and networking events to producers, this unique **VPB** platform allows all producers to meet financiers, co-producers, private and public funds and institutions, distributors, sales agents, publishers, broadcasters and streaming platforms, VFX and post-production companies... in dedicated spaces and venues.

The complete chain of production is offered to them: from the idea and I.P. (**Book Adaptation Rights Market – BARM**) to the financial completion of their projects (**Venice Gap Financing Market – VGFM** and **Venice Immersive Market – VIM**), from work-in-progress screenings with a financial or in kind support (**Final Cut in Venice – FCV**) to the sales and distribution (**Market Screenings**) or the linear and the streaming broadcasting (**Meet the streamers – MTS**).

All these activities, as well as social events, a European Focus and a non-European Focus, dedicated panels, are conceived in order to increase business-to-business exchanges among European and International Professionals.

The **Venice Production Bridge** will take place from August 28 to September 3, 2025 on the third floor of the Hotel Excelsior at the Lido di Venezia and on the **Venice Immersive Island** for all immersive activities (Lazzaretto Vecchio) and during the **82nd Venice International Film Festival**.

The **Venice Production Bridge** is also offering traditional services such as the Industry Gold Club, Market Screenings, an Exhibition Area, and numerous international panels, networking and social events.

CONFIRMING ITS WORLDWIDE UNIQUENESS, THE VENICE PRODUCTION BRIDGE WILL PROPOSE THE FOLLOWING EVENTS:

This 3-day event proposes more than 55 European and International projects including a selection of Biennale College Cinema Projects with no genre or budget limitation:
