## LA BIENNALE DI VENEZIA

### VENICE PRODUCTION BRIDGE TWELFTH EDITION 2023

The **Venice Production Bridge (VPB)** is an essential and successful rendezvous among the cinema, audiovisual and VR professionals. Even if the essence and specificity of the VPB is, from year one, to focus on production and to make available a wide range of services, projects and networking events to producers, this unique **VPB** platform allows all producers to meet financiers, co-producers, private and public funds and institutions, distributors, sales agents, publishers, broadcasters and streaming platforms, VFX and post-production companies... in dedicated spaces and venues.

The complete chain of production is offered to them: from the idea and I.P. [**Book Adaptation Rights Market (BARM)**] to the financial completion of their projects [**Venice Gap Financing Market (VGFM)** and **Venice Immersive Market (VIM)**], from work-in-progress screenings with a financial or in kind support [**Final Cut in Venice (FCV)**] to the sales and distribution [**Market Screenings**] or the linear and the streaming broadcasting [**Meet the streamers**].

All these activities, as well as social events, a European Focus (Germany) and a non-European Focus (Quebec), dedicated panels and the **European Film Forum (EFF)** organized with the EU's Creative Europe MEDIA programme, are conceived in order to increase business-to-business exchanges among European and International professionals.

The **Venice Production Bridge** will take place from August 31 to September 5, 2023 on the third floor of the Excelsior of the Lido di Venezia and on the **Venice Immersive Island** for all immersive activities (Lazzaretto Vecchio) and during the 80th **Venice International Film Festival**.

The **Venice Production Bridge** is also offering traditional services such as the Industry Gold Club, Market Screenings, an Exhibition Area, a Business Center and numerous international panels, networking and social events.
